- Students who plan to teach Spanish on the secondary level should complete the education minor in consultation with the School of Education early in their academic careers to determine the specific requirements.
- A major in Spanish requires a minimum of 27 credit hours in Spanish courses numbered above 200, with a maximum of 45 credit hours.
- Students who place at the 300-level on the Spanish placement exam will be awarded six hours of credit for SPAN 201 and 202 only upon satisfactory completion, with a grade of "C" or better, of a Spanish course on the 300-level.
- Both SPAN 301 and 302 are required for a major in Spanish. SPAN 301 and 302 may NOT be satisfied through credit by examination.
- A student must complete SPAN 301 and 302 or obtain the consent of the department before enrolling in more advanced courses. Native speakers of Spanish must have the consent of the instructor before enrolling in SPAN 301 and 302.
