Dear Mr. Cost:

The following action regarding your institution was taken by the Board of Trustees of the Southern Association of Colleges and Schools Commission on Colleges during its meeting held on December 9, 2013:

The SACSCOC Board of Trustees reaffirmed accreditation with a request for a First Monitoring report due **September 5, 2014**, addressing the visiting committee's recommendation applicable to the following referenced standard of the *Principles*:

CS 3.3.2 (Quality enhancement plan), Recommendation 1

The institution has not yet demonstrated that its assessment plan will allow it to identify, define, and monitor QEP student learning outcomes consistently. In particular, the institution has not yet identified clear benchmarks or targets for its identified outcomes. Demonstrate that the institution has developed a plan to measure and assess the extent to which its QEP goals and outcomes have been attained.

Your institution's next reaffirmation will take place in 2023 unless otherwise notified.

Please submit to your Commission staff member, preferably by email, a **one-page** executive summary of your institution's Quality Enhancement Plan. The summary is due **February 14, 2014**, and should include on the same page the following information: (1) the title of your Quality Enhancement Plan, (2) your institution's name, and (3) the name, title, and email address of an individual who can be contacted regarding its development or implementation. This summary will be posted to the Commission's Web site as a resource for other institutions undergoing the reaffirmation process.

All institutions are requested to submit an "Impact Report of the Quality Enhancement Plan on Student Learning" as part of their "Fifth-Year Interim Report" due five years before their next reaffirmation review. Institutions will be notified 11 months in advance by the President of the Commission regarding its specific due date.
