

Thinking about an Internship in History?

It is important for JU History students to get out of the classroom and explore the area. History faculty have taken students on field trips to Fort Caroline and Kingsley Plantation and have seen live reenactments of the Battle of Olustee. Several of our students have also served as judges in the regional History Day at James Weldon Johnson Middle School. Think about serving as interns and/or volunteers at the following organizations:

- American Beach Museum
- Beaches Museum and History Park
- Clara White Mission / Eartha White Museum
- City of Jacksonville Historic Preservation--Planning and Development
- Durkeeville Historical Society
- Fort Caroline
- Jacksonville Fire Museum
- Jacksonville Genealogical Society
- Jacksonville Historical Society
- Jacksonville Public Library - Special Collections
- Jacksonville University
- Jacksonville University Archives
- Karpeles Manuscript Library
- Kingsley Plantation
- Mandarin Museum and Historical Society
- Museum of Science & History (MOSH)
- Murray Hill Preservation Association
- Museum of Southern History
- Norman Studios (in Arlington)
- Old Arlington Inc.
- Riverside Avondale Preservation (RAP)
- Ritz Theater and Museum
- San Marco Preservation
- Southern Genealogist's Exchange Society, Inc.
- Springfield Preservation & Revitalization Council (SPAR)
