Whole-person health care. Made a whole lot easier.

Experience health care the way it should be – seamless. On the app, on the phone, or in-person.

*Go to [mySanitas.com/locations](https://mysanitas.com/locations) for more information

All under one roof

Fast access to personalized primary care, lab testing, mental health services, and so much more.

Always on, always by your side

Use our patient app to **connect 24/7 with a Sanitas provider**, schedule a visit or manage your health from home or on the road.

Care personalized to you

Get all the attention you need for all-around care – from your Sanitas doctor and care team of nurses, health coaches, nutritionists and clinical social workers.

Ongoing care for patients with chronic conditions

When living with a chronic condition, you need care that goes above and beyond. **Get individualized care before, during, after and between visits.**

To know your nearest location and find specific services, visit mysanitas.com/locations.
