

KSON Strategic Plan

Based upon the BRCHS Strategic Plan, the Keigwin School of Nursing Strategic Plan for 2019-2022 includes the following:

- **Program Development**
 - *Develop and implement new and/or revised nursing curriculum to meet the needs of our community*
- **Academic Rigor**
 - *Encourage academic rigor by upholding key performance indicators*
 - *Support faculty development to enhance teaching*
 - *Prepare nursing graduates for licensure/certification and professional practice*
- **Simulation and Technology**
 - *Enhance student learning through interdisciplinary simulation education and use of technology*
- **Faculty and Student Scholarship**
 - *Foster nursing research and/or translate research into practice*
 - *Enhance dissemination of student and faculty scholarly work*
- **Experiential Learning**
 - *Provide opportunities for continuing professional education*
 - *Engage nursing students in diverse clinical settings for practicums*
- **Diversity/Inclusion**
 - *Employ a multifaceted approach to achieve a diverse student and faculty composition*
 - *Explore ways to integrate culturally-diverse learning opportunities for students and faculty*
 - *Discuss inclusion of future students with varying abilities*
