JACKSONVILLE UNIVERSITY

GRADUATE HOUSING

What type of housing is available?

Graduate Housing is offered in the Village Apartments. These are 4-bedroom, 2-bathroom apartments with a living room and kitchen. Each student will have their own, single room and share a bathroom with 1 other student.

Will I live with other Graduate students?

Yes- Graduate students will only be placed with other students at the Graduate level. We will do our best to place students together in the same programs. If you have a specific student you would like to live with, you can request that with our housing team!

What is the cost & how is it billed?

On campus housing is billed to your JU account. The Fall & Spring terms are set at \$6,230. The Winter term in between is included with no additional charge! Summer is set at a weekly rate of \$330. For Summer 2026, we can offer a July 1st Graduate Housing start for \$1,320.

When will my lease start and end?

On Campus Housing is semester based. Fall Semester housing for Graduate Students will start on August 1st. Spring semester housing will end on May 1st. Students can cancel Fall Housing up to August 21st and cancel Spring housing up to January 15th. Rather than a lease, you will sign a housing contract.

What furniture is included?

Your room will come with a double bed, desk, desk chair, and dresser. The living area in each apartment comes with a couch, lounge chair, coffee table, and entertainment unit. **All furniture is brand new starting Summer 2026!**

What is the required Meal Plan?

All residential students are required to have a meal plan during the Fall and Spring terms. We have a specific plan available to Graduate Students living on campus. The 50 Block Plan cost is \$840 per term and includes 50 meal swipes to be used at any point in the term at the Riverview Dining Hall + \$200 Flex Dollars to use at our retail locations.
